

CRAFTING IDEAL SPACES

Russell Construction, in collaboration with Lowder New Homes, is proud to present the 2025 GMHBA Ideal Home. The Ideal Home is sponsored by trade partners and suppliers to showcase their new and improved products and techniques, bringing the best of the best to our market. This year the Ideal Home is located in the Kinsley subdivision in Pike Road, AL and overlooks spectacular Lake McDade, making it a must-see for anyone interested in the future of home design and luxurious living.
